## INTRODUCING PIVO POWER BANK

### Record your training for longer.

Pivo Power Bank is a fast, convenient way to charge your Pivo and other devices. With a 9,000 mAh battery, you now have the power to record your training for longer, while 4 LED indicators keep you notified of the battery status. Compatible with any 1/4" tripod.

# Become a better rider with Pivo Pod!

Turn your smartphone into an auto-tracking camera that follows your horse. Pivo Pod is the perfect tool to capture your solo practice sessions, track your training, and become a better rider.

## 360° HORSE TRACKING

### Meet your new training partner.

Pivo Pod allows you to capture high-quality videos and images with 360° Horse Tracking and a wide range of accessories. It's like having your own AI training partner.

## AUTOMATIC ZOOMING AND FRAMING

### Always stay in the frame.

Pivo Pod adjusts the shot to keep the framing of your training videos smooth and seamless. Whether you move up close or further away, Pivo Pod knows how to get the perfect shot every time.

## HANDS-FREE VIDEO CALLS

### Remote training made easy.

Connect with your trainer remotely and get live feedback on your technique. Whether you're working on specific maneuvers or simply looking for guidance, Pivo makes it easy to train with your coach, no matter where you are.

## Train and improve with Pivo apps.

*Pivo's app suite lets you capture and share all your equestrian activities with ease.*

- Train smarter with accurate, smooth tracking.
- Share your progress and get feedback.
- Analyze your rides and improve.
